Puppies have developmental stages during which time it is critical to teach good habits and prevent undesirable behaviors. Exposure to other dogs and people during these stages will help your puppy develop into a calm, well-adjusted adult dog. Don't delay—this class is only for puppies 8 to 16 weeks old!

The four-week course is \$40. **Class is held each Monday and Wednesday evening from 6 to 7 p.m.** on the second floor of the HSBC. You can join at any time.

## Enrolling is easy:

Show up for class any Monday and Wednesday at 6 p.m. with the following:

- A. Your registration and release forms
- B. Proof of vaccinations\*
- C. \$40 check (or cash) made out to "HSBC"
- D. Your puppy's bed (we teach "lie down and settle")
- E. Plenty of high-quality soft treats (we recommend Benny Bully's liver treats or Zuke's Mini Naturals, both of which are sold here)
- F. A 6-foot nylon leash (no retractable leashes or choke collars, please!)
- G. Your puppy!

\* In an effort to keep all the animals healthy, you must show proof of vaccinations at the first class, and your puppy must have been in your home for at least 10 days prior to his first class or you will be turned away. (Each puppy must have his or her **second booster shot** before attending class!)

Please do not bring small children to class, and try to limit the number of family members to two. Feel free to call (954) 266-6875 with any further questions.
